

Paint the Path Pink

Mitchell Intermediate

April 13, 2024

Join Mitchell staff members, family, and friends for the 15th anniversary “Paint the Path Pink” event to support people who are fighting breast cancer. You can choose to walk the pink loop or participate in the 5K. A DJ will be there to pump up the crowd. The event was inspired by two teachers whose wives were diagnosed with breast cancer at the same time and others in our community facing this challenge. Consider joining our community event or donating to the event. Register now to participate in our “Early Registration Special”. Our event is being sponsored by “The Rose”. The Rose’s mission is to save lives through: quality breast health services, advocacy, and access to care for all. This local organization provides services to families in Montgomery County and the Houston area. We are honored to partner with such a respected charity and offer a program in which 100% of donations are tax-deductible. The Rose will be able to process donations electronically. Your registration includes the “Paint the Path Pink” T-shirt.
