

Incoming 5th Grade INSTRUMENT EVALUATION

WHEN: Saturday, April 27

WHERE: The Woodlands High School

We are very excited for your child to attend our Incoming 5th Grade Band and Orchestra Evaluation event on Saturday, April 27. They will have the opportunity to try out many instruments. **To prevent long wait times, you will find a schedule on the reverse side.**

- Please park in the large parking lot to the left when you enter from Research Forest. **(Please see map on reverse side)**
- Enter through the breezeway connecting the band hall and the main building. There will be a welcoming table to assist you under the breezeway. **(Please see map on reverse side)**
- Once you've been directed to either the orchestra or band evaluation room, you will need to check in.
 - Please use this QR code to fill out the registration form, prior to your check-in:

- After the check-in, your child will receive a form they will take around to each specified instrument section in the evaluation process.
- Once your child has decided which instrument they would like to play, they will proceed to the check-out.
- Your child will turn in the form with their selection on it, then the band or orchestra directors will give your child information regarding instrument rentals. Renting an instrument is highly recommended and very reasonable.
- We highly recommend you use the vendors listed on the informational forms as they have been thoroughly vetted by our band and orchestra directors.
- Children interested in auditioning for **Saxophone** or **Percussion** must first be fitted for the best alternate instrument due to the limited openings for these instruments.
 - For **Percussion**, students will check out having already selected an alternate instrument. Once they have checked out, they will move to the percussion room if they wish to try out.
- Children interested in **Cello** will be required to have a second option as space is limited. Students selected for Cello will be notified by June 1.

Please arrive at your designated time slot to allow each child time to experience each instrument. Attend during the time associated with the first letter of your child's last name.
