

Mitchell Fine Arts Request Form

5th Grade 2024-2025

Child's Name (please print)

Elementary School

Circle your child's Fine Arts Request for the 2024-2025 school year:

Art/Music

Band

Orchestra

My child is interested in participating in the Mitchell Mixed Choir. YES NO
(Mitchell Mixed Choir rehearsals are on Mondays and Wednesdays from 7:40-8:30 AM. Children will need their own transportation.)

Please return this form to the Mitchell Intermediate front office or your child's elementary school no later than May 3, 2024. This form may be dropped off at the Mitchell front office, turned in during 4th Grade Orientation on April 2 or April 3, or given to your child's 4th grade teacher.

My child and I have discussed the fine arts choices and understand placement in the selected course is for the entire school year. I understand enrolling in band or orchestra may incur outside expenses in which I am responsible such as: purchase or rental fee for an instrument, music book, uniform, and instrument accessories. Because of teacher allocations and enrollment in all the Fine Arts classes, placement is for the entire school year. We encourage you to check into approximate costs for participation in the program in which your child is interested. If you and your child change your mind over the summer, please email the Mitchell director so they are aware of the change. We ask all fifth graders to make a permanent decision no later than August 23, 2024.
